May the energy of the Blue Hand help me to heal in all levels and accomplish what I am looking for

I am guided by the power of Abundance

*I pulse in order to know realizing healing.  
I seal the store of accomplishment with the solar tone of intention.

## ❖ Elevating your Inner Leader

Today (Kin 87) is a PV day... one of the kin that was left as a code for Uncovering the Harmonic Matrix, on the side of Pacal Votans tomb lid... The suggestion is that today has a very special energy, so tune in and be pulsed by this solar light of healing the dream...

So today we realise change pulsing through us as we are guided by our intuition to allow strong healing to occur, in turn setting the intention to accomplish our dreams, those dreams that are hold in the collective unconscious as abundance for all beings..

We are supported today by Yellow Solar Human, guided by the Star... Setting the intention to choose beauty and harmony, in order to co-create our highest potential of realising ourselves as the Seeds of the New Time... Humanity being pulsed by the harmonic grid of 4th dimensional Time...

The challenge that strengthens us today is Red Solar Earth, guided by the Skywalker... Being pulsed by the pure flow of consciousness to explore and navigate the cycles of Time, in order to purify our ancestral bloodlines...

The hidden gift of this day is White Overtone Wizard, guided by the Wind, ... The power of anchoring unconditional love through a deep receptivity to the sounds, communication and messages of spirit...

## ❖ Full Moon Lunar Eclipse

I perfect in order to beautify producing art.  
I seal the store of elegance with the planetary tone of manifestation.  
I am guided by the power of intelligence.

I am a Galactic Activation Portal, enter me!

*Everything that you remember (with thoughts or emotions) is no longer reality - but your brain makes it real again, creating it over and over again in a cycle.  
The beauty is the key to the exit the cycle.  
True art is simply the ability to bring a little beauty into the world: For you and the whole world.*

*Today discover the grace in you and in the world and your will for beauty itself.  
Stay - even if it still seems unattainable - for harmony and grace are within you.  
Examine your excessive self-criticisms and let them just leave....*

## ❖ Your Inner Leader

I will let go and leave behind  
My old identity  
Taking the chance and exposing the new,  
Future version of me

Kaypacha

My feelings help me stay in touch,  
With my deepest inner truth,  
Like a steamy sauna or soothing bath,  
They cleanse, relax, and renew

## ❖ Your Inner Leader

- Authenticity often compromised for Attachment (stems primarily from childhood wounds)
- We sacrifice Authenticity for Relationships
- Authenticity stifled in society, therefore pervasive Attachment favour
- Inability or Fear of Saying NO and defining boundaries  
Leads to anger suppression & storage in the body - Illness

**Leadership and Sovereignty requires Authenticity**

Where in your Life are you not saying NO?

Growing up Spiritually
