Orange

- What questions would ask the client to identify the key issues they may be dealing with?
- How are these issues likely to manifest in their life mentally, emotionally, physically and spiritually?
- How will their 2nd bottle (pathway) assist them in resolving their issues?
- What kind of activities or life changes would you recommend they introduce to assist and support their healing journey?
- Which of the colours would you recommend they work with?
- What gifts are they likely to recognize if they commit to the journey and work with the colours.
