

## The Magic of Colour Online Teleclasses

Homework : Week 4

### Colour Readings

Complete the questions associated with each sample 3-bottle reading for review in Class 5.  
If you can, work with a partner for this exercise so you can discuss and share insights.

### A Single Bottle Reading

A client has chosen Turquoise as the single colour representing 'where they are at' in their life currently. What sorts of issues (challenges and gifts) would you discuss with them in respect of their selected colour?

## Sample 3-Bottle Reading

Orange

Pink

Green

A client chooses 3 bottles representing :

1<sup>st</sup> bottle : The key Issue they are dealing with

2<sup>nd</sup> bottle : The pathway or support for resolving the key issue

3<sup>rd</sup> bottle : The potential outcome of their current process

- What questions might you ask the client to identify the key issues they may be dealing with?
- How are these issues likely to manifest in their life mentally, emotionally, physically and spiritually?
- How will their 2<sup>nd</sup> bottle (pathway) assist them in resolving their issues?
- What kind of activities or life changes would you recommend they introduce to assist and support their healing journey?
- Which of the colours would you recommend they work with?
- What gifts are they likely to recognize if they commit to the journey and work with the colours.
