MASTERS OF DESTINY 3

"All experience has shown that mankind is more disposed to suffer – while evils are sufferable – than to right themselves by abolishing the forms to which they are accustomed"

American declaration of Independence (1776)

MASTERS OF DESTINY 3

The Good News is : It is all Leaving!!

We are releasing ourselves from external control of our cognitive map

MASTERS OF DESTINY 3

Karma is a 6th wave concept introduced via the Asian religions

It is nothing less than the enfoldment of beliefs and consequent behaviours that became encoded within the DNA & that continue to play out. This may be personal, ancestral, planetary

Now is our opportunity to dissolve that by the act of 'letting go' of any and all limiting beliefs in order to restore harmony

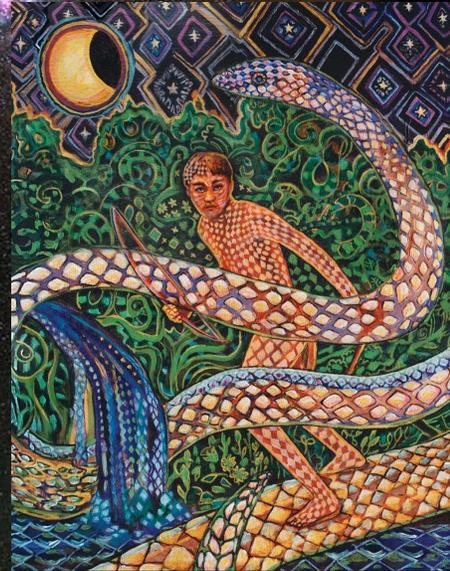

What happens in our lives was always meant to happen.....how we respond to that becomes our choice and our destiny. Our ability to respond in new, creative and novel ways is a function of the 9th wave!

MASTERS OF DESTINY 3

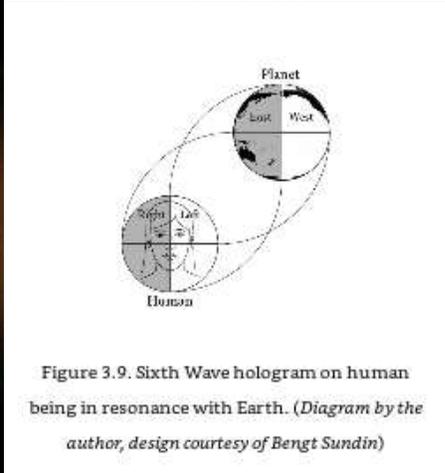

Transition 'zones' between waves

- Turbulent
- Chaotic
- Key is to be the stable bridge between the waves
- Consciousness of the waves supports the recognition of the transition zones
- Fuels creativity
- Current scenario provides us with multiple transitions or chaotic nodes:
 - 6-7
 - 7-8
 - 8-9
- Huge creative opportunities

MASTERS OF DESTINY 3

Global Brain Correspondence

Almost all of the values we are currently programmed with arise from the entrenched and enduring concept of western 'civilisation'

- Hierarchies
- Class & social structures
- Economics
- Concepts of success
- Application of power
- Religious beliefs

Entrenchment of the 'Human script'
(which runs left-right (counter-clockwise))
Divine Script runs right – left (clockwise)

MASTERS OF DESTINY 3

Letting GO !

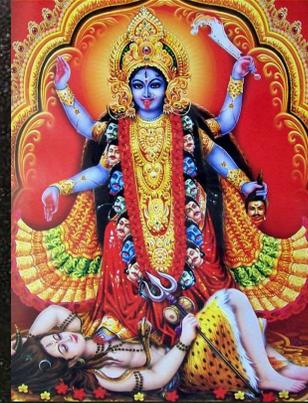

Every kingdom built eventually falls.

Every form dies.

I come to destroy the walls of your fortresses, to
desecrate your bodies.

For when all is gone, you are liberated. -Kali Mata

MASTERS OF DESTINY 3

Letting GO

The Sixth Wave is the origin of most of our beliefs and judgments around :

- Security
- Self worth & value (having/being good enough for example)
- Separation and death
- Abandonment
- Ability to create
- Power & powerlessness
- Authority and control
- Aggressor & victim

MASTERS OF DESTINY 3

Letting GO

- Creates space for the advanced wave holograms to be downloaded and the awakening and structuring of the new human
- Requires us to become comfortable with death.....the death of ideas/beliefs/behaviours/ all of our masks and what we thought we knew
- Releasing attachments to absolutely everything in our lives-possessions, people, outcomes in order to become our True Self. The waves of creation itself seek to experience through us. We are conduits for this ultimate force
- About seeing the reflections in the mirrors of all of our relationships, understanding the judgments we make about ourselves, and the beliefs that support them

To Let Go is to surrender, soften, detach, connect with your True/Divine Self and allow the heart field to expand

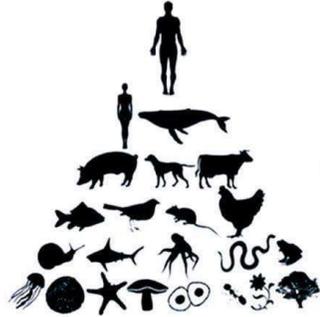

MASTERS OF DESTINY 3

The Redwoods (Insights from James Tyberonn)

- All trees are Receivers, transmitters and disseminators of energy from sun, earth, water & mineral kingdoms
- Giant Redwoods : ancient consciousness. Individual and collective benevolent emanations
- 'Conscious' Record keepers of the plant kingdom. Equivalent of crystals
- The apex of the plant kingdom
- Held as sacred by Atlanteans & Lemurians
- Redwood forests – 'stargate' portals
- Expansive field of awareness. Lemurians had ability to merge their consciousness with the redwoods for sacred ceremonies. Redwoods therefore retain aspects of this benevolent consciousness (Oak= Atlantean, Yew = Druids)
- Redwoods emit a balanced modulation for rejuvenation and well-being. Therapeutic Theta field frequencies balance and ground the human biofield (aura)
- Specialised conduits of Divine Energy. Generates spiral, vortexial, coherent energy, similar to pyramids
- Restructures water
- Provides for enhanced connectivity with Divine Realms, visionary experience, renewed vitality and encourages forward growth
